Good evening, Orange Nation!

I hope you are all healthy, safe, and well! My name is Justine Hastings and I am the President-elect of Student Association for the 2020-2021 school year, serving alongside Vice President-elect Ryan Golden. We are so excited to have been elected to serve and represent the amazing students of Syracuse University and SUNY-ESF.

As the end of the semester approaches, we would like to invite you all to continue to apply for the Cabinet of the 64th Legislative Session.

Throughout the year, SA's cabinet and assembly will work in ongoing collaboration with Ryan and

myself to create impactful change on the Syracuse University campus and beyond.

Student Association is able to enact changes and complete initiatives that have the capacity to make a difference on this campus, ranging from topics such as safety, diversity, health and wellness, financial accessibility and much more. We recognize that Student Association is most effective when there are a wide variety of students represented and therefore we wish and highly encourage you to apply for Cabinet to have your voice heard and to defend others. Together, we can fight towards a more vibrant Orange!
